Solar-Powered, Electric, Manual, and Fixed

The VELUX Skylight System

The Ultimate Skylight Experience

[Learn More](#) ›

*Remote shown is an optional upgrade to VELUX Touch.

VELUX®

Skylight System

Our Best Skylight is now even better.

45% More Energy Efficient*

Shades improve year-round comfort: a **45% improvement in U-value** helps keep your home warmer in the winter, and lets in **19% less solar heat gain** helping to keep your home cooler in the summer.

Comfort-Driven Light Control

Brighten a space or soften sunlight—shades create the right atmosphere any time of day.

One-Touch Operation

Easily adjust light and comfort from anywhere in the room with a simple, handheld remote.

*Up to 45% depending on skylight model and size.

Simple control of all VELUX skylights and shades with one remote

[Learn More >](#)

The Touch remote controls both skylights and shades, featuring ventilation timing and programmable presets.

We believe it should be easier to create your perfect home environment with VELUX skylights and shades. Now, with VELUX Touch, you only need to reach for one remote to take control of every skylight and shade you install. Talk about indoor comfort right at your fingertips!

- Remote operation in room where your skylights are installed
- Operate multiple products at once
- Group skylights and shades to operate together
- Set the ventilation timer for regular automated home airing
- Lock home option to securely close all your skylights automatically
- Preset shade and skylight positions for even easier operation

Three Layers of Water Protection

[Learn More >](#)

At VELUX, we've developed three layers of water protection to safeguard your house against damaging leaks. Our skylights carry a 10-year installation warranty plus 20 years on glass, 10 years on product, and 5 years on shades and controls.

Rest easily underneath your skylight knowing that it will never let in rain or moisture.

- 1 Pre-attached deck seal** provides a tight seal for leak-proof installation.
- 2 Adhesive underlayment** provides secondary water protection in harsh weather conditions.
- 3 Engineered flashing** provides primary water protection and allows for easy installation.

Complete light control
